***Examiner Amendment And Reasons For Allowance***

***Examiner Amendment***

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

This application is in condition for allowance except for the presence of non-elected claims 16-23. Accordingly, claims 16-23 are canceled.

The application has been amended as follows :

In the claims:

In claim 1, lines 3, change "characterized" to – comprising --.

In claim 1, line 9, before "epitaxial" insert – n-type and p-type --.

Cancel claims 16-23.

Authorization for this Examiner's Amendment was given in a telephone interview with Mr. B, Slayden, II on August 30, 2005.

***Reasons For Allowance***

The following is an Examiner's statement of reasons for the indication of allowable subject matter:

The basis for the allowability is :

Prior art of record does not teach combination of forming in n-type and p-type epitaxial layers field isolation areas around, in a horizontal plane, a portion of the

Art Unit: 2812

epitaxial layers to simultaneously define an n-type doped collector region for the mesa transistor on the subcollector; a p-type doped base region for the mesa transistor thereon; and an n-type doped collector plug on the subcollector, but separated from the n-type doped collector region and the p-type doped base region; and thereafter forming in the p-type doped base region an n-type doped emitter region for the mesa transistor.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 C.F.R. § 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a diligently-filed petition under 37 C.F.R. § 1.48(b) and by the fee required under 37 C.F.R. § 1.17(h).

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
